Students enrolling in fees for service courses will not be entitled to any concessions.

Severe Financial Hardship

Students who find themselves to be in severe financial hardship may apply for a fee waiver for below diploma level courses only. A person is considered in severe financial hardship only where they are unable to provide food, accommodation, clothing, medical treatment or other basic necessities. CTAS Education will assess each situation on a case by case basis, this will include a formal evidenced-based assessment of the student's capacity to pay the fees for the enrolment period and is based on the individual's financial incomings, outgoings and financial status. Approved fee waivers will only apply to the course fee for the year in which they are approved.

Exceptional circumstances withstanding, students will need to meet specific criteria to be considered for a fee waiver.

1. *The student must not exceed the Department of Human Services income thresholds for the low-income health care card as outlined below.*

Status	Weekly Income	Total Income in the 8-week period prior to applying
Single, no children	\$556.00	\$4,448.00
Couple combined, no children	\$960.00	\$7,680.00
Single, one dependent child	\$960.00	\$7,680.00
For each additional child, add	\$34.00	\$272.00

2. *The student does not have the disposable income to pay the fees via instalments without compromising their ability to meet their basic living needs or those of their dependents.*
3. *There is no basis for concluding that the student's financial circumstances are likely to change within a reasonable time (e.g. 12 months)*

To apply for a fee waiver on the grounds of severe financial hardship, students will be required to contact the CTAS Student Services Manager (m.reynolds@ctas.wa.edu.au). Students will be required to complete an application and submit it along with a statutory declaration. CTAS will also require additional supporting evidence i.e. copies of payslips, health care card, bills or contracts and bank statements to determine the outcome of each application.

Students enrolling in the Diploma or a fees for service courses will not be entitled to apply for fees to be waived due to financial hardship.

- You can nominate the frequency and amount of the payments.

- Direct debit will commence upon receiving your first invoice.
- Payments will only be taken for outstanding fees; no advance payments will be taken.
- In the case that you have paid all outstanding fees before commencing a new unit, your payment plan will pause until you receive a new invoice.
- You will be given a minimum of eight weeks from commencing a unit to finalise a payment.
- Additional fees apply when your direct debit fails, please ensure you have the nominated payment amount ready.
- Enrolment in a unit is not complete until the fees and charges are paid, therefore a qualification or statement of attainment will not be issued until all outstanding payments have been made.

Refunds

- A course is cancelled or re-scheduled to a time or location unsuitable to the student.
- A student is not given a place due to the class being full.
- A student withdraws prior to course commencement due to a serious illness, injury or disability that prevents the student from attending the course. *(Medical certificate is required).*

- A student lodges a written withdrawal before the census/withdrawal date. *(census/withdrawal dates will be documented on the invoice for each unit of competency)*

There are NO other grounds for refunds.

Credit Transfers and RPL

Students are not charged for credit transfers. The transfer of credit provides the student with an exemption from relevant units within a course. Credit transfer does not involve an assessment of the student's knowledge or skills – it is an assessment of any prior credentials of formal accredited learning or qualifications presented.

Recognition of prior learning (RPL) involves the assessment of previously unrecognised skills and knowledge an individual has achieved outside the formal education and training system in respect of a specific unit. RPL is an assessment process that assesses the individual's non-formal and informal learning to determine the extent to which that individual has achieved these required learning outcomes or competency outcomes.

The fees for RPL are dependent on the timeframe of the training/assessment, the level of qualification and the number of units. Course fees will be worked out on a case by case basis. Generally, any units which are RPL'd are charged at 50%. For RPL students, the balance of their training costs must be paid in full prior to completion of the RPL process. Resource books are not included in RPL costs but can be purchased upon request.

Fees for Service

Fees for service students are those who are enrolled in a training program that is not publicly funded. For example, a person who is ineligible for a traineeship. Students who enrol under a fee for service arrangement will not be entitled to any concessions, fee capping or financial hardship applications. Fees for service students will not be enrolled into a course or unit until a deposit is paid in advance (no more than \$1500.00) or a payment plan agreement is approved by CTAS.

Invoicing and Receipt of Student Fees

CTAS will provide students with an itemised enrolment invoice upon the commencement of any units they are enrolled in. Invoices are distributed on a monthly basis, and therefore an invoice will reflect the units commenced that month. All student invoices will include the following details:

- a) Personal details – first and last name
- b) Course details – Course identifier and title
- c) Concession status (if applicable)
- d) Funding category (if applicable) – i.e. Future skills WA category: traineeship, Priority Industry Qualification
- e) Enrolment date

- f) List of enrolled units – Each unit will have specified: Withdrawal/census date, nominal hours, unit fee, resource fee (if applicable), Recognition of Prior Learning (RPL) fee (if applicable)
- g) Total invoice amount

The standard term for payment of CTAS invoices is 30 days unless otherwise stated or alternate arrangements have been made and agreed upon. Fees can be paid by credit card, bank account direct deposit or cheque. CTAS Education, in accordance with the Standards for Registered Training Organisations 2015 does not accept payment of more than \$1,500.00 in advance from each individual student prior to the commencement of their course.

Regardless of payment method used CTAS Education will receipt all fee payments received through the student management system. Students will then be issued with a receipt once invoices are paid in full. Students should note that like any business CTAS Education reserves the right to recover outstanding debts using support from third party debt recovery agencies

Recovery of Outstanding Fees

CTAS Education uses fair and adequate recovery procedures to manage the collection and recovery of outstanding fees. Students with fees that are overdue or not paid can expect one or more of the following to occur:

- a) Students paying by instalments will immediately forfeit the approval to continue paying by instalments, and their entire balance outstanding will become immediately due.
- b) Students who have fallen behind in payments will not be enrolled in additional units unless appropriate arrangements, agreed by both the student and CTAS Education, have been put in place to pay the amount outstanding.
- c) No subsequent instalment plans may be considered.
- d) If the student completes the requirements for the qualification in which the student is enrolled, and has outstanding fees, the student may not be issued with evidence of completion until such time as the outstanding fees are paid in full.
- e) Any amounts not paid by the student may be referred to a debt collection agency which may result in additional costs being incurred and/or information being provided to a credit reporting body

Records

Irrespective of qualification, course duration or payment options the following records and details will be retained for audit purposes:

- a) Invoices
- b) Payment plans or deferred payment options
- c) Granted fee waivers and reasons for approval
- d) Refunds
- e) Outstanding fees
- f) Any other documentation that can be used to verify that fees and charges have been applied in accordance with the DTWD VET Fees and Charges Policy.
